CONFERENCE SPONSORSHIP

Please consider demonstrating your commitment to Connecting Central Ohio Communities through sponsorship of the 2019 Central Ohio Planning and Zoning Workshop.

Sponsoring this event provides a unique marketing opportunity to connect with a wide range of clients across the region. Last year's workshop was attended by 200 individuals from across the state. The event is geared towards public officials, citizen planners, and development professionals across the region.

Please note the Central Ohio Section of APA Ohio is committed to reducing the environmental impact of printing, and will be promoting a paperless workshop. Programs will be available on a mobile responsive website in PDF form. Sponsor logos will be presented at the Keynote event, Pecha Kucha, and before each session. Table tents will also be placed on each table.
